

In order to better service all of our customers the following delivery schedule will become effective October 13, 2008  
 "Will Call" customers are customers that want to call to schedule deliveries. Will call customers please call before  
 the tank reaches 20%, this will prevent additional pressure test and emergency delivery charges.

**Kit Carson Propane will attempt to make deliveries as soon as possible, however delivery is not guaranteed on next delivery date.**

**KEEP FULL Customers please keep your accounts current in order to receive regular deliveries.**

New Route

In order to better service all of our customers the following delivery schedule will become effective November 29, 2004  
 "Will Call" customers are customers that want to call to schedule deliveries. Will call customers must call before  
 the tank reaches 10%. Calling before the tank is at 10% will prevent additional pressure test and delivery charges.

**KEEP FULL Customers must keep their accounts current in order to receive regular monthly deliveries.**
